315 Stonewall Pkwy Liberty Hill, Texas 78642

Phone: 512-260-4400 | Fax: 512-260-4410

Dear Bill Burden parents and students,

Welcome to Bill Burden Elementary, where the tradition of Panther Pride begins.

Our mission comes from a strong desire to build on strengths. We continue our hard work to ensure that Burden Elementary will be known as the school that prepares all students and teachers for success.

Bill Burden Elementary was named after an exceptional educator that modeled excellence in all aspects of his life. His zeal for education, spirit of giving, and servant's heart, are embedded in the guiding principles of our campus. His picture hangs in our reception area as a symbol to everyone that works and visits our campus of the great responsibility and commitment we have to our children.

Bill Burden Elementary is a great place to be. We believe that parent---school relationships are the keys to achievement. Find any successful school and you will also find that parents and staff members are involved and supportive of each other. Building trust in this campus leadership and teaching staff is only achieved through sharing experiences with us. Active engagement with the campus staff will reveal the purpose and value of the educational experiences and extra-curricular activities we provide here at Burden.

We are looking forward to a great year, and I'll see you soon.

Terrie Chambers, Principal
