"LEARNING Today...LEADING Tomorrow"

Globally Recognized PLC Campus

Dear Parents and Guardians,

On Wednesday May 16, 2018 at 5:45 pm the Intermediate Campus will be having a 4th grade parent night. This event is to give you and your incoming students information about the Intermediate campus and how the year will look for them next year. We encourage all parents or guardians to attend so that you can go into the summer with a clearer picture of what the Intermediate campus will provide your students next year. This is a great opportunity to walk the campus and meet some of the 5th grade teachers. Although we will not have a schedule for your students at this time, you will still be able to interact with some teachers. This event will last roughly an hour, but we want to allow you all the opportunity to see firsthand the campus, the staff, and hopefully ease some nervous feelings your students may have going into a new school year. We look forward to meeting you and your students at this event. If you have any questions please call 512-379-3200.

Sincerely,

Josh Curtis

Liberty Hill Intermediate Principal
